Memo to: Jumonville Summer Camp Deans
From: Larry Beatty, President
Subject: 2008 Summer Camp Information

Greetings

It's time once again to start concentrating on plans for this summer's summer camp program. In order to help us have your week run as smoothly as possible, we need to know your plans. Enclosed is a whole packet of information for you. Please make sure that you review these items carefully.

Summer Program Information Sheet and Scheduling Info

Your "Summer Program Information Sheet" and Cookout/Snack Request sheet is enclosed. Please complete this information as soon as possible and return it at least a month before your camp starts so that we can continue the planning process. ***Your requests for program staff, adventure programming, and crafts need to be returned by May 1st.***

A blank schedule is also enclosed for your convenience. It includes the Jumonville mealtimes, picture time, and worship time. Also included are the floor plans for the buildings your group is assigned as well as a week look at the other groups who will share the camp during your particular week.

Your Dean's Information Manual along with an appendix that includes a campfire/cookout map, sample information sheet, and three sheets describing progressions for adventure activities, pool activities and craft activities. *Make sure you review these pages and become familiar with the guidelines.* 95% of all the information that you need is included in this dean's manual. Please read it for any changes. For your convenience, we have noted and marked the minor and major changes for this summer throughout the manual to make it easier for returning deans. However, *you are still responsible to read the entire manual so that you are aware of it's total contents.*

Prayer Support

Please keep all of our staff and all of the many volunteers that will be working in our summer program in your prayers on a daily basis. We are all in need of the Lord's grace, protection, and wisdom.

Thank you all for all that each of you do. If there is any way that we can help you in your planning process, please make sure to let us know. Together, with the Lord's blessing, we can have a fantastic summer of ministry and help to reach many of our campers and help them grow in their relationship with Christ.
