Jumonville

Spring 2010 Issue - Vol. 12, No. 1

A PUBLICATION FOR OUR SUPPORTIVE FRIENDS

The new entrance design incorporates a stone wall, flags, and a great photo opportunity with the view of the Cross on the Mountaintop. The entrance will also be lit at night.

Welcome to Jumonville... and a new and improved entrance

“Welcome to Jumonville!” is the theme of our new capital campaign that is providing a new entrance to Jumonville as well as other helpful improvements. If you have been to Jumonville in the last half year or so, you may have noticed that the stone archway that stood above Jumonville’s entrance for about 55 years was removed. It has always been difficult for large buses to make the sharp turn and fit under the arch. In addition, some structural and safety issues were discovered that made the decision more urgent.

We extend special thanks to the 19 persons who entered the new Jumonville Entranceway Design Contest. The ideas, creativity and love for Jumonville shined through. The sketches and descriptions made it clear that Jumonville’s welcoming hospitality was a high priority, as well as the visual beauty and inspiration that are well-known to all. The staff and Capital Campaign committee reviewed the designs, and selected some of the best ideas from several designs to create a composite that incorporated many special features from all that were submitted.

The Welcome to Jumonville capital campaign features a new 20 foot long, 5 foot high, curved stone wall with beautiful new signage and the four flags (located behind the wall) that reflect Jumonville’s history. The new stone entrance will have beautiful landscaping and lighting to help guide our guests who arrive after dark. The cost for this part of the project is \$35,000 and Jim & Nancy Gnagey have very graciously offered to donate this work in memory of their son, Scott.

One of the other components of the project includes \$5,000 for work to clear foliage for a better view of the cross. As the trees have grown, it has become difficult to see the cross from many areas of main campus. This new design locates the wall and flags to the right of the former entrance arch, which will allow a great view of the Cross above. It will be a beautiful spot for visitors to Jumonville to take photos, with the new entrance sign as a focal point.

The sidewalk between the new entrance and Asbury Dining Hall has deteriorated over the years and is in need of replacement at a cost of \$5,000. An additional \$2,500 is needed for a ramp to the dining hall to better accommodate our guests who use wheelchairs or walkers, or who have difficulty with steps. And finally, \$2,500 is needed for new signage for the parking areas to help arriving guests follow the flow of traffic and to find parking areas on campus.

Special thanks to Jim & Nancy Gnagey for their very generous gift

Welcome to Jumonville Capital Project

\$35,000	new entrance
\$5,000	cross clearing
\$5,000	new sidewalk
\$2,500	dining hall ramp
\$2,500	new parking signage
\$50,000	Total Cost

We’re excited about how this new project will enhance our ministry of hospitality and help Jumonville to become a more welcoming place. We currently have almost \$40,000 of the \$50,000 needed for this project!

If you would like to help, there are several ways to contribute. On page 15 is a form to fill out and return. You can also send your gift in the enclosed donor envelope and specify, entrance project or visit our Jumonville website and click on “support” in the navigation bar. You can also pay by credit card. Plans are to dedicate the new entrance at the Spring Dinner on May 2nd.

8th Annual Jumonville Kidz 2 Kamp Golf Fundraiser

**Friday, Aug. 20, 2010 at
Glengarry Golf Links**

We're heading to a new golf course for 2010! Glengarry Golf Links, near Latrobe, will be host to this year's event. We'll again use the "best ball scramble" format and end with a steak dinner and short program. Last year's event raised over \$11,000 to support the Jumonville Kidz 2 Kamp Program. This provides scholarship help for all of Jumonville's Christian summer camping and retreat programs and also supports Jumonville's H.O.P.E. Camp for children who live in poverty, have an incarcerated parent, or are in the social services system. With your help, more children can experience the life-changing impact of meeting Jesus on the mountaintop. This will be the 14th year for Jumonville to run the H.O.P.E. Camp program on our campus.

The event begins with a continental breakfast, includes lunch at the turn, and we'll end with a steak dinner and a short program to award our prizes. We'll also have a drawing for other nice prizes including a full set of clubs. We'll have a shotgun start at 9:00 a.m. with registration at 8:00 pm. A driving range will be available with free range balls to help you warm up.

Prizes will be awarded for longest drive, longest putt, closest to the pin, closest 2nd shot as well as other prizes based on your team's score. It won't necessarily be the top 3 teams! A hole in one will win significant prizes on any of the par 3's. There will also be an optional putting contest in which the winner of the optional putting contest has a one putt chance to win \$2,500! Additional contests are also being planned to help with the fun factor.

2010 Golf Fundraiser Registration Form

Registration Deadline - August 9th. Reservations are all made on a first come first serve basis.

Thank you for your generous support!

2009 President's Perspective

God is good! While the last several years have been full of many challenges, Jumonville continues to be very blessed. We continue to have wonderful fruitful ministry take place on this special mountaintop and campers who come to hear and respond to the Good News of Jesus Christ.

The entire national economic climate has affected the number of campers and guest groups that we have been able to serve. So many families have been dealing with unemployment and underemployment that it has greatly affected the ability of our guests to pay for their mountaintop experience. We are extremely grateful that our Jumonville donors have given more than ever to our Kidz2Kamp program to help both campers and retreat guests to be able to experience the Jumonville difference. Across the country there were many camps that experienced decreases of up to 25% in their annual attendance. We felt blessed that we were just 7% down from 2008 and were actually just about on track with our 2007 attendance stats.

Marketing in today's ever changing world of technology continues to remain a very real challenge. Can you believe that some colleges are no longer issuing emails to the incoming freshman because email is now considered old school and is looked at like "snail mail." Text messaging, Facebook, and Twitter have now taken over as the way to communicate. WOW, what a challenge to keep up and try to stay connected! Jumonville has just subscribed to a service called Tatango that allows us coordinate bulk text messages. That will help us to communicate more effectively with our summer staff. Many of them rarely check email anymore. In order to reach them, we're better off using Facebook. We now have a Facebook Fan Page listed as Jumonville Camp & Retreat Center. Times sure have changed!

Camp has always been about building relationships and these new social network tools are helping us to reach more campers and guest groups so that more and more people every year have an opportunity to respond to the message of the Gospel of Jesus Christ. Our methods will continue to change, but our goal will always remain.... to share the Good News and invite more people to become disciples for Christ.

Another new marketing effort that was started this past year was to help sponsor Christian concerts. In 2009, we helped sponsor groups such as Third Day, Building 429, Stephen Curtis Chapman, and Skillet. While you may not know the names of those groups, it has helped us connect with the youth, youth leaders,

pastors and families who are active in the conference. Many people drive 2 or more hours to attend events in Pittsburgh, and are willing to drive 2 hours to Jumonville. It has also been a good way to recruit potential summer staff.

Our donors totally blessed us with wonderful support again this past year. In 2009, we were raised over \$265,000 in gift income. This past year also

marked the successful completion of our swimming pool renovation project. I am delighted to report that in addition to the \$300,000 that we raised for that project, we raised another \$35,000 to pay for a new exterior wall for our bathhouse. Both projects are finished and we are debt free! Praise God and special thanks to all those who sacrificed to make that possible.

We also had three very successful fund-raising events last year. Our Golf Fundraiser raised almost \$11,000 which was a 45% increase over the previous year. Our Spring Dinner raised almost \$22,500 for our Kidz2Kamp program and the Jumonville Sponsors Dinner raised the extra money that we needed to pay for the new bathhouse wall. How blessed we are to have such wonderful supportive friends!

In 2007, we received news that the DeVos Foundation would no longer be giving any grant money to support HOPE Camp. With that loss of between \$35,000 - \$40,000, we launched our Kidz2Kamp program to help fund HOPE Camp and our regular campership program. Since then, we have been able to cover all of our operational costs for HOPE Camp as well as provide significant financial aid for summer campers and retreat guests. We are indeed grateful to the numerous churches and individuals who have helped to make this program possible. We are grateful that as we begin 2010, we have a balance in our Kidz2Kamp program of over \$65,000.

Another major facility change for us this past year was the decision to remove the stately stone Jumonville entranceway and to hold a contest to design a new entrance. The old entrance had developed stress cracks and the design of the stone archway made it very difficult for groups arriving in buses to be able to make the turn into campus. We actually had some buses get stuck and had to use the tractor to pull them out. It was time to retire the landmark.

So after 55 years of faithful service, the old entranceway was removed. We are excited about the new design and plans are in place for the new entrance to be completed by May of 2010. The new design features a stone wall with four flags, nicely landscaped, and with new lights to help show it off at night. The new stone entrance will be a positioned with a wonderful view of the cross in the background that will surely be used for thousands of photos in the years to come.

I continue to be blessed when we travel to various events and are greeted by folks who have been to Jumonville in past years. We so often hear of wonderful mountaintop experiences where lives have been touched by the awesome power of God on our campus. They are thrilled to see Jumonville's mountaintop ministry continuing to give youth and adults a vital opportunity to experience God's love and grace.

Here are some of the comments from some of our friends that were posted on Facebook about their Jumonville experiences:

EP - *I'm headed to Jumonville this morning to be part of the United Methodist Women's Day Apart (for the Washington and Connellsville Districts). It will be good to be on the mountaintop once again.*

KM - *Holy ground. My initial surrender to the Lordship of Jesus was in the Jumonville chapel in June of '83. It's a special place. I was 12 at the time!*

JS - *Have a blessed day on the mountaintop! I had my "initial surrender to the Lordship of Jesus" in the Jumonville chapel in March 1991, just a few years later. (I am still considered young clergy :))*

SW - *It's been about 5 years since I've been there, and next year, I'm sooo going for on site staff. I think all of my family's been there. Gotta love it*

BD - *I've been going to this camp since I was little. I love this place.*

MS - *I went to this camp in 1974 and 1975. First time I heard about Jesus.*

CC - *I loved going to Jumonville for weekend youth camps. It was always a fun time to get to know different people. Loved walking to the cross and standing in awe of it.*

NH - *My favorite place on earth.*

LN - *I went back in the 70's with one of my best friends - I still remember how much fun I had there. I love driving in towards Uniontown and seeing that cross up there - what an awesome reminder of how great our GOD is!*

As I begin my 28th year of service as Jumonville's Executive Director/President, I am grateful and honored to be a part of Jumonville's ministry. What a joy to work along side such a great group of dedicated staff and a wonderful supportive board! We may be in very difficult economic times, but that can't be diminished by our many donors, deans and counselors, group leaders and guests, and our many friends that continue to make Jumonville a special place for so many. Know that you are all loved and appreciated, and that you have all blessed us immensely. It is my prayer that God will bless you for your faithfulness to Him by your service to this special mountaintop called Jumonville.

Larry Beatty
Jumonville President

Facilities Update

Every year with the hard work of our Jumonville staff and with the faithful support of our donors and the prayer support of many, many friends we continue to make tremendous strides to improve our facilities. Our facilities are valued at over \$16 million. That is a significant investment that has been made toward the ministry that takes place on this special mountaintop. It takes a lot of facilities to provide the opportunities that are available at Jumonville. Take a look at the impressive list of what we were able to accomplish this past year to keep our facilities ready to serve over 12,000 overnight and day use guests that visited during 2009.

BUILDINGS

Andrew Cabin

- Bedrooms - removed metal bunks and beds. Built new wooden beds and bunks. Purchased new mattresses, new dressers, and installed carpeting.
- Bathrooms - removed vinyl flooring, installed concrete board, and installed porcelain tile. Replaced all vanities.
- Removed eight doors to bedrooms and bathrooms, and installed 6 panel doors.
- Front room - removed carpeting, installed concrete board, and installed porcelain tile. Installed new entrance door.
- Porch area - removed old siding, and soffit. Installed new siding, soffit, and porch light.

Andrew Cabin gets new built in beds.

Ann Murphy

- Removed window from men's restroom, framed opening, covered with plywood. Covered with cedar shingles, primed and painted. On the interior wall, covered with drywall, spackled, sanded, and painted.
- Water line leak. Excavated and repaired water line.

Asbury Dining Hall

- Patched walls and painted restrooms.
- Installed a handicapped drinking fountain in the dining hall.
- Exterior work on the road side: removed existing porch poles, replaced with new poles, and built

Scraping & painting porch area of Ann Murphy

railings to match the front side.

- Covered ceiling in dishroom with vinyl soffit, and painted main beams.
- Acid etched the dishroom floor, and then painted with epoxy.
- Removed pine trees and yews from the front side entrance. Graded, filled the holes with topsoil, seeded and strawed.

Captain Webb

- Painted downstairs restrooms, removed sink in men's room, and installed vanity, sink, and faucet.
- Patched and painted 1st floor hallway, and trim.
- Upstairs restroom: removed both sinks, and installed vanities, sinks, and faucets. Patched and painted walls, and trim and installed suspended ceiling.

Director of Operations Residence

- Removed existing, and installed new windows on the second floor.

Eagle's Nest Pavilion

- Main water valve broke. Excavated, and installed new valve.

Fleming Administrative Center

- Removed sinks in Women's and Men's restrooms, and installed vanities, sinks, and faucets.
- Relocated new wireless internet network equipment on front roof area and back room.

Pine Cabin gets a new roof

Pine Cabin

- Removed existing shingles. Rescrewed, and renailed all plywood sheathing, installed ice guard, felt paper, and new dimensional shingles. 26 Square.

Washington Lodge

- Built wooden base for under mattresses in Rooms 204, 205, 207, 209, 211, 212, 213, 214, 215, 216, 217, 218, 219, and 220. No more box springs.
- Patched hallway walls with spackling, sanded, and painted.

New tile and wooden bed bases were added to several Washington Lodge bedrooms

- Spot painted all bedrooms and meeting rooms.
- Removed wall to wall carpeting, and replace with porcelain tile in rooms 109 and 105.

Welcome Center

- Removed exterior corner lights, and installed new area lighting that matches the exterior pole lights.

GROUND

Challenge Ropes Course

- Rebuilt part of our Multi-Level Course due to rusting hardware. Among the elements replaced were High Bosun's Chairs, Pulley Tension Traverse, and Tyrolean Traverse.
- Repaired the cube on Low Elements Teambuilding Course.
- Tore down the Tower Circuit in preparation for an eventual rebuild.
- Built a new Rappelling Station beside the Ben Cromer Adventure Center. This new rappel station will help teach our clients how to rappel in a more controlled environment.

Cross of Christ Area

- Continued removing trees from in front of the cross.

start of entranceway demo

Entranceway

- Removed all of the stone entrance, including flagpoles. Removed concrete flower beds. Created new concrete walkway, from existing sidewalk to the sidewalk to the dining hall. Installed topsoil, and seeded. Where the flower beds were removed, gravel was laid. Contracted to have the whole area repaved. This now makes the entrance accessible for buses.

Green Cathedral

- Tree that was holding all the electrical work for the area blew over. Installed 6x6's, boards, and reinstalled all electrical work. Added another receptacle. Cleaned out wishing well, (this is done every year) recemented side walls.

entranceway paving

General Roadways and Paths Work

- Removed 2 pads of old uneven and cracked concrete, excavated, and built up sub-base, and then poured new concrete pads.

Parking Areas

- Contracted for new parking lot between the Chapel and Washington Lodge. Excavated, installed limestone subbase, laid binder, and covered with topcoat of asphalt. Installed split rail fence along the state road side. Landscaped area, and reseeded. Parking area will hold 24 to 28 vehicles.

start of paving for new parking area

Patterson Swimming Pool

- Pool project is now completed.
- Bathhouse wall - pool side: braced and raised roof off of existing block wall. Removed concrete block wall, including windows and doors. Reblocked wall with dimensional concrete block, installed two sets of windows, and installed three new doors. Lowered roof onto the block wall, repinned, and reinstalled water lines, and electric lines. Also on the women's side reinstalled changing areas.
- Removed all peeling paint on the walls with pressure washer, will repaint building in the spring.

completed pool project

- Removed several overgrown shrubs beside the front door.

Township Roadway

- Removed rocks, excavated dirt build up. Hauled the dirt to the Pool area that was damaged by construction, spread, and seeded. Replaced rocks.

Roadway to Cross

- Continued working to remove trees and widening the cross road. Installed drainage pipes in wet areas. Ran the pipes to existing storm drains.

Water Treatment Building

- Contracted with Culligan to remove all the old carbon from the water filters. Replaced with new.

Well House #2

- Removed old roof and built new roof on foundation.

new bathhouse wall

The following is a list of individuals and groups who have very generously given to help continue and strengthen our mountaintop ministry. Many thanks to these friends and also those that continue to keep Jumonville in their prayers and who give of their time and talents in volunteer service.

“Welcome to Jumonville” Entrance Project

While we have a great early start on our new entrance project, we still need to raise slightly more than \$10,000 to reach our \$50,000 project goal. We'd love to see the support of individuals as well as churches and groups that use Jumonville. Won't you please join us in our efforts to welcome more guests to our mountaintop ministry? Make checks payable to "Jumonville" and mail it to:

887 Jumonville Rd. Hopwood, PA 15445

I/we pledge to the following support to the new Entrance Project.

I/we pledge \$_____ I/we pledge to pay my/our pledge:

monthly quarterly or annually over the next year.

Enclosed is my one time gift of \$_____

Name _____

Address _____

City/State/Zip _____

Phone () _____ e-mail _____

Please make my gift to be in memory or honor of _____

Please send acknowledgement to: _____

I/we would like my gift to remain anonymous.

Signature & date: _____

In order to make sure that all the campers who really want to attend our summer camping program are able, we have set a goal of raising \$100,000 for our campership fund. We don't want anyone who wants to come to be turned away because of finances. God provides all that is needed through your generosity. You can designate your gift in the enclosed remittance envelope or with this form.

Kidz 2 Kamp I/we pledge to demonstrate my/our commitment to the Kidz 2 Kamp Program at Jumonville.

I/we pledge \$_____ I/we pledge to pay my/our pledge:

monthly quarterly or annually over the next year.

Enclosed is my one time gift of \$_____
