Fall 2011/Spring 2012

Dear Past Summer Staff:

So you think you would like to return for another summer! Nice!! Enclosed you will find:

1. a listing of tentative positions available
2. a summer staff personnel policy
3. a summer staff reapplication form

Please return your application **NO LATER THAN Monday, December 19, 2011** if you want primary consideration. I would like to have them before that time if at all possible. Preference will be given to those applicants who are at least 18 years of age and at least one year out of high school. Others may apply but will be given secondary consideration.

One day has been set aside for interviews: December 27, 2011. Second round interviews are March 10, 2012 (at Jumonville). It is extremely important that you participate in the December interviews if you want primary consideration for a position. The interviews are held at Jumonville and will begin at 9 am and finish around 1 pm. We're going to see what makes you tick! During the interview, all applicants will have the chance to ask any questions and to read more detailed job descriptions. Actually, you can read job descriptions on our website. The daily stipend for summer 2011 will be \$35/day plus room and board.

Applicants attending school out of state or with other serious conflicts may be able to make other arrangements depending on their situation. **PLEASE CALL ME TO WORK OUT CONFLICTS!**

The summer program at Jumonville requires intensive cooperation with other staff members, deans of camps, counselors, and volunteers, to provide enriching outdoor Christian education experiences for our campers. We are seeking persons who are mature, talented, willing to go the extra mile, and committed to excellence in their lives. We look forward to hearing from you and the possibility of working with you this coming summer.

Sincerely,

Ree Enlow  
Director of Program Services
