

The Purpose of Family Week is:

to provide a family vacation experience centered on Christian teachings and interaction with other families. It is designed to strengthen your relationships with your family and deepen your relationship with God.

Our Week's Program

Our program for the week is flexible and may be subject to change. There are regular times for teaching and worship opportunities daily, beginning with the Morning Watch period and ending with evening cabin or room devotions. In addition to daily classes and Bible study, there are multiple sports competitions, swimming, ropes course activities, singing, square dancing, campfires, s'mores, crafts and even a rest period! You'll need it after all the activities available each day. The inspirational highlight of the week is the Friday night service at the Cross, and Saturday morning Communion in the woods at Green Cathedral. Be prepared to go home with memories of fun, faith and new friends that will last a lifetime.

Jumonville is calling US once more....

Jumonville is a beautiful Christian Camp and Retreat Center located about six miles east of Uniontown, PA, on Chestnut Ridge, in the historic Laurel Mountains. God is calling once more to "come up higher" for another spiritual uplift this summer. Mountain beauty, good food, diverse recreational facilities and rich fellowship are all in the package. More than all this, is the challenge to one's heart and soul to grow in a program of study and worship together. When you come to Family Week, you have an opportunity to bond as a family, and grow in understanding God's love for you, and your love for one another.

Housing

In most cases, fathers, sons, and grandfathers will be assigned to the men's dormitories and girls will be assigned with their mothers & grandmothers to the women's dormitories. If a family is interested in sharing the same room, that request should be made to the registrar. In the dining room, families will be seated at the same table.

The Inn at Jumonville (hotel-type bedrooms with 2 double beds per room and a private bath) is scheduled by Family Week. There is an additional lodging charge for those who stay in the Inn. Persons who have been housed in the Inn in the past are given preference in the housing arrangements; however, if you are interested in staying in the Inn if space becomes available, please check the box on the registration form.
