Camp & Retreat Center

2024 Summer PROGRAMS

DEAR PARENTS:

I get it. Camp is expensive. Everything is expensive right now. As a mother of four, I understand how hard it is to afford all of the experiences we so badly want them to have.

So, why is the price of camp going up? The simple answer is that our costs have gone up. Our food costs, for example, have gone up an average of 44% since 2020. The price that we pay for everything from electricity to staff salaries to chlorine for the pool has gone up too.

As much as we would love to make camp less expensive, that is just not the reality right now.

HOWEVER, we believe that every child deserves a week at camp. We know that when a child is given a week away in a safe, welcoming space, their confidence, self-esteem, and faith development grow exponentially. This chance to make lifelong friends and a boatload of memories shouldn't be dependent on the ability to pay.

THE GREAT NEWS is that we are blessed with many generous donors. In our 81-year history, we have never turned a child away from camp for purely financial reasons. That is a tradition that we will continue to honor in this, our 82nd year and beyond.

If you need help with the cost of camp, or know someone who does, please reach out!

We will see you on the mountain this summer.
Sign up now – it's going to be epic!

President

WHO CAN GO TO CAMP?

All United Methodist camping events are open to all persons without regard to race, religious affiliation or gender. We welcome campers from all churches or with no church affiliation. Our purpose is to teach, preach, and live the Gospel of Jesus Christ.

Jumonville has made significant efforts to accommodate those with special diets, and special needs. Campers with physical or mental challenges, autism, etc...may be able to attend special programs designed for their needs.

We believe that all children should have a camp experience. Our generous donors have guaranteed that no child will be turned away for financial reasons. If you need financial aid please visit the financial section on our website or email Sarah at Sarah@jumonville.org We also offer sibling discounts to families that send more than one child. Each camper after the first will receive a \$100 discount for full week programs.
