

1. Any summer camp event held at Jumonville may be considered for aid.
2. Applicants should have contacted their local church for financial aid before applying to Jumonville.
3. The maximum aid will be based on the total cost of the event, and stated need. Normal policy is that we will not cover the entire cost.
4. Applications should be received at least one month prior to the vent to allow time to process the application.
5. Payment of financial aid will be applied directly to the final balance of the camper. No personal payments will be made.
6. You do not have to belong to a United Methodist Church to receive financial aid.
